

# We propose a new license plate for Marshall County, Indiana:

## ***LET'S JOURNEY TOGETHER!***

**Looking For a Progressive Community  
Who Will Welcome Your Business With Open Arms?**

**The Marshall County Economic Development Corporation  
Can Help You Achieve Business Success!**

Located just south of the southern tip of Lake Michigan, at the crossroads of Indiana Highways 30 and 31, is Marshall County Indiana. Marshall County is an area with an investment potential second to none!

Within a 100 mile radius of Plymouth, our county seat, you'll find nearly 12 million people and markets for every conceivable product and service. With its high quality of life and market proximity, Marshall County is extremely well positioned to meet the needs of today's – and tomorrow's – business.

Marshall County is a progressive community that wants your business! Let our business relocation services and manufacturing site selection services help your business grow and prosper; contact us today.

### **MISSION STATEMENT**

The mission of the Marshall County Economic Development Corporation (MCEDC) is to expand and diversify the economy of the county by fostering investment in new and existing facilities and creating entrepreneurial capacity.

### **BUSINESS ATTRACTIONS**

Besides the high quality of life that is a perennial attraction, Marshall County offers business an unbeatable combination of assets. Quality of schools, relatively low cost of living, enticing programs and incentives to foster growth and redevelopment, and warm and inviting communities, are just a few of the many reasons business find Marshall County so inviting! To learn more about these assets and what they can offer your business, please contact us today.
